WARNING — IMPORTANT SAFETY INFORMATION :

Failure to follow these warnings and instructions may result in serious injury.

- Unassembled parts may present hazards. Adult supervision requiredduring unpacking and assembly.
- Adult supervision is required at all times during use.
- For indoor use only. Do not use outdoors. Keep away from water, moisture, and humidity.
- Place the product on a flat, stable, non-slip surface only.
- One child at a time.
- Do not allow jumping, climbing on top of the structure, standing on the highest points, or unsafe play.
- Keep loose clothing, cords, jewelry, and accessories away from the product during use.
- Keep all packaging materials and small hardware out of children's reach during and after assembly.
- Inspect the product before each use. Do not use if any part is loose, missing, damaged, or shows signs of wear.
- The use of the stabilizing support pieces is mandatory for safe operation of the product. Failure to install these parts correctly may result in instability, tipping, or serious injury.The product must not be used without all stabilizing components properly installed and secured.
- Retighten all screws periodically. Wood is a natural material and may expand or contract over time.
- Do not modify the product or use replacement parts not approved by the manufacturer.
- Discontinue use if the product becomes unstable.

Maximum load: 110 lb (50 kg)
Recommended age: 18 months — 6 years

MATERIALS & CARE INSTRUCTIONS :

Materials

- Solid wood construction
- Smoothly sanded surfaces
- Water-based, non-toxic finishes

Care Instructions

- Clean with a soft, dry or slightly damp cloth.
- Do not use harsh chemicals, solvents, or abrasive cleaners.
- Store in a dry indoor environment.
- Do not expose to excessive heat, humidity, or direct sunlight for prolonged periods.
- Cushion is machine washable up to 80°F, Do not bleach/Tumble Dry/Iron

ASSEMBLY TIPS :

- Remove all packaging materials before assembly.
- Organize and identify all parts before starting.
- Assemble on a clean, flat surface.
- Tighten screws slowly and firmly.
- Do not overtighten — overtightening may damage the wood.
- After assembly, verify that all screws are secure and that the structure is stable before use

LIMITED WARRANTY :

This limited warranty covers manufacturing defects only under normal indoor use.
This warranty does not cover:

- Normal wear and tear
- Misuse or abuse
- Improper assembly or maintenance
- Use of the product without required stabilizing components
- Modifications or unauthorized repairs
- Damage caused by moisture, water, or outdoor use

At our discretion, the sole remedy under this warranty is repair or replacement of the defective part or product.
This warranty does not cover incidental or consequential damages to the extent permitted by law.
